MBE Parents --- You Are The Best!

We hope this finds your family happy and healthy after an unprecedented spring. We look forward to our return to school in August, but know that it may come with a different look and feel. As we begin our school year under challenging circumstances, we are reminded of the exceptional dedication the leaders of Mountain Brook Schools maintain. Last year, we adopted The Lancer Sponsor Campaign as the ONE and ONLY fundraising campaign for our school annually. This decision was met with great success. Looking forward, there has never been a more important time to build on that success. Your partnership with the MBE PTO allows our school to effectively support its staff and our children in the current pandemic environment.

Lancer Sponsorship is the ONLY fundraiser for the upcoming school year. Your one-time contribution allows your PTO to fund needs identified and prioritized by our school administration for the immediate school year. In the past, Lancer Sponsor donations have allowed the PTO to provide our school with:

- Teacher stipends for every classroom
- Professional development opportunities
- Facility upgrades
- Holiday gift cards to MBE support staff
- Technology enhancements and supplemental curriculum
- School wide events and programs

We would love to see our school come together with 100% family participation at any giving level. All donations are completely tax deductible and eligible for corporate matching.

We love our school and know you do too! Let's ensure that together during these uncertain times we are able to provide the best education and top-level learning environments our children need and deserve.
